- Wire brushed finish accentuates the grain, enhancing the product's natural beauty.

- Matte, oil-look, finish forgives minor scratches and scuffs to keep your floor looking beautiful longer.

- Advanced staining techniques protect your investment with design features that resist showing use or damage. Looking nicer, longer.

- Hand mopped staining process creates a complex and truly unique look, unrivaled in nature.

- Eight coats of UV-cured aluminum oxide-reinforced polyurethane to resist scratches and spills.

- German ECO finish technology creates a low luster oil-finish look while resisting color fading from UV exposure.

- 3/4" thick solid construction is a lifetime investment that can be sanded and refinished after the floor has handled year's of abuse.

- Sourced to promote responsible forestry management, in full compliance with Lacey Act protections for our forests.

- Responsibly harvested European White Oak.

- Responsible investment to finish your home with a renewable resource, a good investment for your home and the planet.

- Always in-stock commitment for your peace of mind.

- In stock, matching moldings to help you finish the job on time.
