- Color Cut Bevels replicate a real wood floor, eliminates sheet vinyl look

- Extreme bevel protection to avoid trapping dirt and debris. Maximum ease to clean

- Attached IXPE backing for a quiet and comfortable floor

- Enhances sound performance for a class-leading 62 STC and 60 IIC rating

- Stone Composite Core (SPC) is more resistant to indentation than other vinyl products

- SPC core offers a broader temperature performance range than traditional vinyl.

- GreenGuard Gold is the industry's most stringent indoor air quality certification

- Rigorously tested to ensure floors meet the requirements of the industry's air quality standards

- Fast and simple installation by angling and snapping

- Strong locking ensuring seamless joint

- Always in-stock commitment for your peace of mind

- In stock moldings and stair caps to help you finish the job on time
