## Comprehensive Warranty Program

This document details coverage and limitations for the following warranties for waterproof click flooring:

- Lifetime Limited Residential Wear Warranty
- Lifetime Limited Waterproof Warranty
- 10 Year Limited Commercial Wear Warranty

### **Lifetime Limited Residential Wear Warranty**

The vinyl layer of the vinyl click flooring is warranted to not wear through under normal use for the lifetime of the original purchaser of the product. Vinyl layer wear-through is defined as 100% vinyl layer wear-through that exposes the core material over a minimum of 3% of the total installation. Gloss reduction or surface scratches are not considered surface wear. If 100% vinyl layer wear-through is determined to have occurred, Eastern Flooring Products will arrange a pro-rated credit based on the terms outlined below in the section headed "Terms". This warranty is non-transferrable and only applies to the original purchaser.

### **Lifetime Limited Waterproof Warranty**

The floor plank or tile is warranted to be 100% waterproof and the structural integrity of the floor plank or tile will not be significantly diminished by exposure to moisture for the life of the product. While moisture will not affect the floor's integrity, it is probable that, when excessive moisture accumulates in buildings or on building materials, mold (and/or) mildew growth can occur (particularly if the moisture problem remains undiscovered or unaddressed). Eastern Flooring Products moisture warranty excludes damage resulting from mold (and/or) mildew growth due to prolonged exposure to moisture. If the floor plank or tile is structurally impugned, resulting from exposure to moisture, Eastern Flooring Products will arrange a pro-rated credit based on the terms outlined below in the section headed "terms". This warranty is not transferable by the purchaser of the floor.

This lifetime limited waterproof warranty does not cover:

1. Damage to surrounding structure, walls, subfloor, fixtures, furniture, underlayment, moldings, trims, subfloor heating elements, or anything that is not the floor plank or tile.
2. Damage resulting from mold & mildew growth due to prolonged exposure to moisture.
3. Flooring that is installed outdoors.
4. Flooring damaged by flooding (submerged under water).

Terms of Lifetime Limited Warranties:

- Within Ten Years: Claim on defects of this product as covered by this warranty that is reported within ten years of purchase, Eastern Flooring Products will arrange a credit based on the original purchase of the product or replace the product.
- After Ten Years: Claims on defects of the product, as covered by this warranty, that are reported in writing after ten (10) years of purchase, Eastern Flooring Products will arrange material or credit sufficient to repair the defective area of floor.

### **10 Year Limited Commercial Wear Warranty**

The finish of the floor plank is warranted by Eastern Flooring Products not to wear through under normal commercial use for a period of ten (10) years from the date of purchase. Vinyl layer wear-through is defined as 100% vinyl layer wear-through that exposes the core material over a minimum of 3% of the total installation. (Gloss reduction or surface scratches are not considered surface wear.) Dull finish can be corrected with spot or overall recoating systems. If 100% vinyl layer wear-through is determined to have occurred, Eastern Flooring Products will arrange a pro-rated credit based on the terms outline below in the section headed "terms". This warranty is non-transferable and applies only to the original purchaser and only if used in the following commercial areas:

- Retail: novelty shops/boutiques, product display areas, sales floors, showrooms, hair salons, hallways, entryways (walk off mats requires)
- Medical Offices: waiting rooms, patient rooms, examination rooms, storage rooms, hallways, entryways (walk off mats required)
- Hotels: guest rooms, conference/meeting rooms, lobby
- Offices and Restaurants: offices, conference/meeting rooms, showrooms, restaurant floor, break rooms
- Institutional: classrooms, training rooms, meeting rooms, commons areas, residence halls, hallways

All wear warranties are made subject to the following conditions:

1. The floor must be installed properly and according to the installation instructions. Proper installation includes, but is not limited to the following:
  - a. If glue is used, use glue that meets the specifications outlined in the installation instructions.
  - b. Upon completion of glued installation, the floor must be allowed to set overnight for 24 hours before resuming normal usage of the room.
2. The flooring must be used only indoors in a dry, climate controlled area. In areas that are exposed to direct sunlight, Eastern Flooring Products recommends gluing down the floor to prevent buckling.
3. The flooring must be maintained in accordance with Abraham Linc maintenance instructions.
4. This limited warranty does not apply to moldings, trim, or underlayment.
5. Installation of flooring that contains any manufacturing defects is not covered by this limited warranty.

The warranties do not cover:

1. Damage due to adhesives or tape, scratches, gouges, scuffs, punctures, cuts, indentations, burns, accidents, lack of proper furniture rests or protectors, or any intentional or unintentional misuse of the product. Loss of finish gloss over time is consistent with normal wear & tear and is not a product flaw.
2. It is normal and expected for there to be color variations with exposure to UV light and/or sunlight. Color inconsistency between samples, replacement product, or illustrations and actual product is not a manufacturing flaw.
3. Manufacturer makes no guarantee that Eastern Flooring Products will match or coordinate with customer furnishings, trim, cabinetry, railing, etc.
4. Instances of noncompliance with installation instructions and maintenance guidelines. Eastern Flooring Products cannot assume responsibility for the suitability of flooring material and accompanying products for each individual installation as manufacturer has no control over the installer's proper application.
5. Cracking, warping, soiling, fading, improper maintenance or abuse caused by items such as roller skates, golf shoes or pets.
6. Floor covering installed in inappropriate locations is excluded from this warranty.
7. Disengagement or indentation in areas exposed to rolling traffic, pivot areas, or unprotected furniture legs.
8. Dissatisfaction due to inappropriate maintenance or improper installation.
9. Labor of any kind. The warranty covers the material only.
10. Discoloration due to use of rubber-backed mats, mats of any kind, solvent-based polishes or cleaners, or asphalt.
