

Talar Oak and Hickory **WARRANTIES**

☞ COMPREHENSIVE WARRANTY PROGRAM

This document details coverage and limitations for the following warranty for hardwood flooring:
Lifetime Residential Structural and Finish Warranty

☞ LIFETIME RESIDENTIAL STRUCTURAL AND FINISH WARRANTY

The manufacturer warrants all its flooring products, in their original manufactured state, to be free from defects in lamination, assembly, milling, and grading, to the original purchaser or life of the floor. This warranty is non-transferable. The manufacturer also warrants, to the original purchaser, that the finish will not wear through for the life of the floor. For all the Talar collections aluminum-oxide finished products. This warranty is non-transferable.

Installations must be performed in accordance with Eastern Flooring Products® Installation Instructions. Failure to install and maintain under the guidelines of these manufacturer's instructions will void all warranties. It is the responsibility of the installer and/or end user of the material to inspect boards prior to installation. Eastern Flooring Products® accepts no responsibility for costs of product or labor when boards with visible defects have been installed. Once installed, the flooring has been deemed acceptable by the installer.

Wood color, tone, and graining variations in flooring are a natural occurrence due to species, age, character of flooring and exposure to UV light or sunlight. For these reasons, new and/or replace flooring may not match display samples and/or existing flooring.

Eastern Flooring Products® is not responsible for color variation of product and/or samples for the consumer matching flooring to other wood products, such as cabinets, stair railings, trim and moldings. Naturally occurring wood characteristics such as variations in grain, color, mineral streaks and knots, are not considered defects.

Normal exposure to sunlight will bring about changes in the shading of any hardwood floor as the floor ages. Area rugs should be moved occasionally as they block sunlight and may give the appearance of discoloring under the rug. This is not a product defect.

The sole obligation and liability of Eastern Flooring Products®, under our stated warranties, is to repair, replace or refinish the floor, in part, or in whole the original product that failed to comply with the applicable warranty. Eastern Flooring Products® shall retain sole authority to select the best means possible to satisfy the original purchaser.

Under the terms of these limited warranties, Eastern Flooring Products® will not be liable for indirect, special, incidental, consequential or other cost, expenses or damages of any kind to the purchaser, no matter what the cause. An Eastern Flooring Products® representative has the right to inspect
